

Moving Floor Transport

Recycling logistics - making the environment **greener**

Environment

Reduce your CO2 footprint with Collicare. Our trucks are powered by biodiesel RME B100 which reduces the emissions of greenhouse gasses with 90%

Safety

All our trucks are equipped with alcolock and our drivers have years of experience driving under tough Scandinavian conditions.

Quality

Our drivers are going through training at the Collicare Academy to understand and comply with our customers needs and demands.
